CHILE: Thoughts and a
Journey Through the Central Valley

PARRÓNE
2021 SYRAH
COLCHAGUA VALLEY

The 2021 Parróne Syrah was fermented in concrete tanks and matured in predominantly French oak barrels with a small portion of American wood, which is remarkably well integrated throughout the wine. A fresh, herbal bouquet leads to a sleek, balanced texture, concluding with a savory, spice-tinged finish with meaty accents and a stony undercurrent.
